

RUBBER BUTT-PAD, 0.30"

MAG315

BLK

NSN: 1005015915984

The Rubber Butt-Pad, 0.30" comes standard with the CTR® and MOE® Mil-Spec models as well as all STR™, ACS-L™, ACS™ and UBR® stocks and utilizes a firm rubber that is designed for enhanced shoulder purchase and improved impact/drop mitigation. May also be installed on Commercial-Spec MOE/CTR stocks, but may prohibit use of fully collapsed position. All mounting hardware included.
