

CTR[®] /MOE[®] 0.50" CHEEK RISER

MAG326

BLK

NSN: 1005015916035

Clip on cheek riser for the MOE and CTR stocks. Raises cheek weld 1/2 inch in height. This riser is for use on NON AR15/M4 applications as the riser will interfere with charging handle function. Originally designed for M14 carbine stock conversions.
