

# CTR<sup>®</sup>/MOE<sup>®</sup> 0.75" CHEEK RISER

MAG327

BLK

NSN: 1005015916041

Clip on cheek riser for the MOE and CTR stocks. Raises cheek weld 3/4 inch in height. This riser is for use on NON AR15/M4 applications as the riser will interfere with charging handle function. Originally designed for M14 carbine stock conversions.
