

SLING MOUNT KIT, TYPE 2

MAG332

BLK

NSN: 1005015916051

While the STR® Carbine Stock comes with a Sling Mount Kit - TYPE 1 (MAG333) push-button QD swivel socket pre-installed on the left side of the stock, this threaded TYPE 2 Kit can be installed on the opposite side as an additional mounting point for push-button swivels or our own Magpul® QDM (MAG543).

Furthermore, for running ambidextrous sling swivels on the SGA®, MOE® Rifle, MOE® Fixed Carbine, MOE® AK, Zhukov-S, Hunter 700, and Hunter X-22 Stocks, this TYPE 2 Kit must be utilized in conjunction with the optional TYPE 1 Kit.

Heavy-duty black phosphatized steel construction easily installs with the STR's original hardware, or with the hardware included with the TYPE 1 Kit. Swivels not included.

Made in the USA.
