

MAGPUL® RVG - RAIL VERTICAL GRIP

MAG412

BLK - FDE - ODG

NSN: 1005015916133

Designed for use with 1913 Picatinny railed hand guards, the RVG is a basic, light weight, cost-effective vertical fore grip. Shape is ergonomically designed for use as a traditional vertical grip. It has also been optimized for use with the "thumb break method" of shooting.

Includes all mounting hardware plus a universal mounting rail for custom fitting to many factory plastic hand guards.

Made in the USA.
