

MOE® GRIP – AR15/M4

MAG415

BLK, ODG

NSN:1005016588519

NSN:1005015916100

The MOE Grip (Magpul Original Equipment) is a drop-in upgrade for the standard AR15 / M4 pistol grip. The ergonomic, hand-filling design combines anti-slip texturing with storage core capability. With a similar shape to a 'medium' sized MIAD, the one-piece reinforced polymer construction provides simplicity and a reduced cost while still maintaining the durability needed to withstand operational environments. The MOE Grip accepts optional Storage Cores for gear stowage and includes a basic grip cap.

All mounting hardware included.

Made in the U.S.A.

- Positive anti-slip texture
- Hard polymer bottom edge prevents snags and grip damage
- Storage core capability accepts optional cores
- Beavertail backstrap for enhanced ergonomics
