

MS3[®] Sling GEN2

MAG514

BLK - COY

NSN: 1005016409861

Optimized for use with the ASAP and RSA or MSA and M-LOK QD Sling Mount the MS3 can switch quickly between one-point and two-point configuration. Made from custom nylon webbing chosen for its comfort and strength, and now with the MS1 slider, the MS3 is easily adjustable for shooter size and preference. It also features a light weight, heavy duty, polymer and steel Paraclip to allow easy manipulation in emergency situations.
