NSN: 1005016556395

Similar to the MOE-K2, the MOE SL Grip (MOE Slim Line) is a drop-in upgrade for AR15/M4 pistol grips with a more vertical grip angle optimized for short LOP weapons that bring the primary hand in closer to the shooter's body. With an aggressive TSP texture for positive weapon control along with excellent ergonomics, the SL Grip provides a slightly smaller size and slimline feel.

All mounting hardware included.

Made in the U.S.A.

- More vertical grip angle than standard grips
- Beavertail backstrap for enhanced ergonomics
- Aggressive TSP texture (Trapezoidal Surface Projections) for positive weapon control in all environments
