

MAGPUL® PARACLIP™

MAG541

BLK

NSN:1005016560759

Clip-style sling attachment point for 1-1/4" webbing that provides weapon quick-release capabilities in an emergency. Cross-Bolt Lock Bar allows the user to optionally lock the lever closed for extra security. Compatible with ASAP Plate, RSA, MSA, SGA Receiver Sling Mount, and many other clip-in sling attachment points*. Combine with the MS1 Sling for a dedicated two-point sling, or with MS1 MS3 Adapter or MS1 MS3-QD Adapter for a two to one-point convertible sling.

Light weight yet durable construction with hardened Melonite finished steel and heavy-duty polymer.

Made in the USA.
